<b>Decision #:</b> <b>STW1</b>	<b>Decision concerning Competitor:</b> <b>Jared PARKER</b>	<b>Competition #:</b> <b>76</b>	<b>Licence #:</b> <b>160766X</b>
<b>Permit #:</b> <b>23035</b>	<b>Meeting:</b> <b>DAYBREAKER RALLY 23</b>	<b>Class or Event:</b> <b>NZRC Class NZ5B</b>	
<b>ALLEGED RULE BREACH:</b> It is alleged that Schedule R Part 1 Article 22.2 (2) was incorrectly applied when assessing times in SS6 Sandon Block – CotC Decision 7			
<b>FINDING:</b> <i>(Quote what your finding is and why)</i> The Steward finds that: <ul style="list-style-type: none"> <li>Rallysafe system was not correctly triggering start and finish times for some cars due to a stoppage in SS5. This stoppage caused the system to inconsistently recognise some TC times for later running competitors.</li> <li>The assessed time was applied using the slowest time when cars started to register correctly following the disruption however there were correct times available prior to the timing disruption.</li> <li>Correct application of R, Part 1, 22.2 (2) would be to use the time recorded by #55 at the commencement of the interruption. .</li> </ul>			
<b>ACTION TO BE UNDERTAKEN</b> The Stewards rule that: <p style="margin-left: 40px;">Results of SS6 SANDON BLOCK are to reassessed using #55 time 38.46 for all finishers after #55 and final results amended and republished.</p> <p style="margin-left: 40px;">The protest fee is returned.</p>
